

PiBox - Action Item #394

Remake all launcher icons using new template

05 Nov 2014 17:38 - Hammel

Status:	Closed	Start date:	05 Nov 2014
Priority:	Immediate	Due date:	
Assignee:	Hammel	% Done:	100%
Category:	04 - Applications	Estimated time:	0.00 hour
Target version:	0.10.0		
Severity:	03 - Medium		
Description			
The template itself should be resized to the size of the current icons (both icon and splash) and then the following icons need to be recreated:			
<ol style="list-style-type: none">1. Restart2. Terminal3. Netconfig4. VideoFE (in videofe repo)

Updated stock icons in launcher and videofe icon/splash. Now they have a common styling, coloring and size. Templates available in launcher and in videofe.

Closing issue.
