

PiBox - Bug #270

mke2fs prompts user but shouldn't

03 Feb 2014 19:57 - Hammel

Status:	Closed	Start date:	03 Feb 2014
Priority:	Immediate	Due date:	
Assignee:	Hammel	% Done:	100%
Category:	04 - Root File System	Estimated time:	0.00 hour
Target version:	0.8.0		
Severity:	02 - High		
Description			
Easy fix - just use -F with mke2fs in buildroot-ext3 target.			

Associated revisions

Revision 869f5ecb - 03 Feb 2014 19:57 - Hammel

RM #270: Fixed mke2fs to use -F option to prevent prompting user.
